

Tidal flats may flood quickly at high tide—depending upon winds and seasons.

Long Point
Open seasonally

Great Island
Open seasonally

Beaufort Visitor Information Center

Harkers Island Visitor Center

Cape Lookout Lighthouse
Open seasonally

Water depths from 0-6 feet (0-2 meters) are typical in Core and Back Sounds. New shoals and channels form continually. National Ocean Survey charts are essential for safe navigation in these waters.

There are no roads within the national seashore; a 4-wheel-drive vehicle is highly recommended for driving on the beach.

Some land within the park remains private property; please respect the owner's rights.

Ocean coastline derived from Landsat 8 imagery taken on October 10, 2014.
